With your PPO, or Preferred Provider Organization, if you receive services from a provider who is in the PPO network, you'll receive the highest level of benefits. If you receive services from a provider who is not in the PPO network, you'll receive the lower level of benefits. In either case, you coordinate care. There is no requirement to select a Primary Care Physician (PCP) to coordinate care. Below are specific benefit levels that apply during your benefit period.
